John was born into his Family Business of Schillig's Black Horse Farms & Irv Morrow's Hideaway. In 1972, Eileen broke into the business as a Server, Bartender and Banquets. (If you see them both in action, you can Tell they love it) They grabbed their five kids, took the plunge in 1995 to fulfill their dream. "The Kids supported us, and all started right to work." Dana & Jen waitressed through college, Mike and Parker bartended, and Matt did all the computer work. The name "Schileens" came from John's last name "SCHIL"lig and Eileen's first name eil"EEN". With lots of work from this family, we have been here since 1995 and plan on serving you for a long time to come.

"Remember, there are no strangers here....Just friends that never met yet."
